Spring Clean Yard Sale

May 3rd from Sasser to Georgetown

This event is a three-county collaborated tourism effort to promote Southwest Georgia. It will begin in Sasser, GA and end at the state line in Georgetown, GA.

All yard sales must be visible from GA Highway 82.

Participants will need to obtain permission from property owners or managers to hold their yard sale

No registration is required.

This is NOT a money-making project for any ONE group. Anyone or any organization participating will retain all proceeds from their sale.

This is a GREAT OPPORTUNITY for church groups, school groups, and civic clubs to raise funds. Businesses located along the route are encouraged to participate with sidewalk sales.
