The Quitman County Office of Elections and Voter Registration work as a team with the Election Supervisor to conduct primaries and elections in accordance with State law. The Board performs all services and functions necessary to support the election process, including recruiting, selecting, hiring, training, and assigning personnel to serve as poll officials. The board also conducts candidate qualifications, develops ballots for elections, acquires, maintains, prepares, and assesses the equipment used to conduct elections.

We oversee voter registration, ensure fair and accessible elections, promote participation, offer quality service to voters, candidates, and media, and help the public comply with all relevant laws and regulations.
